Robert ...

On behalf of Sean O'Shea and myself ... I wanted to thank you for your participation and your valuable time, spent as a financial expert on our panel, in what turned out to be a very successful "HelpLine"; RRSP edition on Global News, February 19th and 20th 2007.

Over 500 calls received during our two-day series. Some as far away as Saskatchewan and Ohio!

Look for it later this month ... "HelpLine" returns, this time our subject will be "taxes" and that looming deadline.

Regards ... Neil
